7-Eleven Franchisees!

AVANTI, the National Coalition of Associations of 7-Eleven Franchisees' flagship publication, targets the largest convenience store buying group in the country—7-Eleven Franchisees. Altogether, this group accounts for more than \$14 billion in sales—more than any independent chain in the c-store industry.

Our 7,806 franchised stores represent approximately 91 percent of all 7-Eleven stores in the U.S. All of our readers make their own buying decisions, and approximately 24 percent are multiple store owners.
